### **IV. PHONE LINE:** Jason W. - [naboulderhelpline@gmail.com](mailto:naboulderhelpline@gmail.com)

Good Morning!

Here's a quick recap of the Boulder Phoneline during July and August. Combined, we had 32 calls, of which 12 callers spoke with a volunteer. Also, regarding the comment from Kim during our June area meeting that someone was still receiving phoneline calls even though they have left the fellowship, I've spoken with the ex-fellowship member and taken them off the volunteer list. **Please keep sharing with your groups that Boulder Phoneline is in need of volunteers and to pass along my phone number (720-275-9812) to anyone who is interested! Thank you!**

**NEXT AREA MEETING:  
October 5, 2025 @ 12pm HYBRID**

As for billing, we paid \$35.18 in July and \$35.18 in August.

And as a personal check-in to area, T and I welcomed our beautiful baby girl, Elowyn, into the world on August 4th! She is precious and amazing and healthy and our family is doing well! I plan to attend the next area meeting in October.

Thanks for letting me be of service,

Jason

**V. PUBLIC INFORMATION:** Christian F. - [Naboulder.pi@gmail.com](mailto:Naboulder.pi@gmail.com)

Public Information Subcommittee activities

Aug 2025

Activities:

1. I was going to put up flyers on the Pearl St. Mall, but broke my finger, so that'll have to wait.
2. I updated the meeting lists to include the change in the women's meeting from 6 to 7pm on Mondays as well as corrected the password for the Sunday Alano club meeting.
3. I restocked the Lit rack at the works program. This seems to be the lit rack that consistently gets the most use.
4. I restocked the IPs and updated the meeting lists in the Boulder County Jail lobby.
5. I gave the Recovery Café a stack of updated meeting lists to put in the lit rack. They had something going on in the room where the lit rack was, so I was unable to check on the inventory of IPs, I will circle back to them next

**NEXT AREA MEETING:  
October 5, 2025 @ 12pm HYBRID**

chance I get.

6. I restocked the IPs at the Boulder County Public Defender's office and Community Connections Project at 1241 Kimbark St. in Longmont and updated their stock of meeting lists.

7. I went to CU to restock their lit rack at the Recovery Club in the UMC. They basically had no use of any of the IPs or meeting lists, but I changed out the new for the old.

8. While I was at CU, I put flyers up at the UMC bulletin boards. They are removed every ten days, so I asked a gentleman at the recovery club if he would be so kind as to put new ones up every two weeks. He agreed to do so, so I gave him around 25-30 of our 8x11 flyers. If you are a CU student, can you help me determine if this is getting done? If not, I might need announcements done to find someone else who is reliable to do it for us.

9. I went to the methadone clinic to restock and update their lit rack. Much to my chagrin, they were closed but I could see that it was no longer in their lobby. I called the following day and got the manager's number. My call to her voicemail was not returned, several times. I finally talked to her. Apparently, they had an inspection, and it was determined that the rack was somehow in the way. She ordered a table specifically for our rack. When I went to restock it, it was pretty depleted. I need to return when I get more IPs on Mental Health in Recovery.

10. I printed out a CRCNA flyer that TJ gave me and had copies made. It is an invitation to H&I facilities to come to CRCNA for free. I will send them to treatment facilities so they know to bring their residents to CRCNA. We also need GSRs to take a couple back to their groups and announce free admission to treatment facilities and encourage them to take a flyer back to their facility to facilitate organizing and scheduling to get to CRCNA.

**NEXT AREA MEETING:  
October 5, 2025 @ 12pm HYBRID**

11. I printed over 400 meeting lists. This includes lists for H&I, the PI literature racks and lists for all the meetings. The cost was \$166.05. I paid for it and need to be reimbursed.

12. I recommend all meetings replace their old meeting lists with these new ones so fewer people get incorrect information about the available meetings in our area.

13. I had another 200 printed for meetings in general. If you know of a meeting that you regularly attend who does not have a GSR present here today, please grab some for that meeting and bring them to the meeting when you go.

14. I have ordered \$100 in IPs this month.

15. I picked up the mail. It was only a few months of bank statements.

#### Literature Order:

1. \$132.65 for Meeting Lists
2. \$100 for IPs
3. \$0 for flyers

#### Next Month's To Do List:

1. Put flyers back up on Pearl St. Mall
2. Return to Methadone Clinic with MH IPs.
3. Pay KGNU and set up auto pay
4. Check on IP inventory at Recovery Cafe
