V. PUBLIC INFORMATION: Christian F. - Naboulder.pi@gmail.com

Activities:

1. The City of Broomfield has put three Narcan distribution boxes at their courthouse, Health and Human service office, and Library. I have made efforts to get lit racks at those sights, or our flyer if not a lit rack. I called Ester at the library and haven't heard back from her. I called the health & human services office. They got back to me and asked me to send an email

NEXT AREA MEETING:

with the flyer and a photo of the lit rack so they can make a decision about which option they're comfortable hosting for us.

2. I printed 250 meeting lists. They offered me a 50% off coupon, so I increased the number of copies to accommodate the extras needed for Literature rack restocking. The cost was \$73.52. I paid out of my own pocket and will need to be reimbursed.
3. I have restocked the lit rack at the methadone clinic. They have relocated it to their room that hosts group meetings, so I think it'll get heavily picked.
4. I have restocked the lit rack at the Public Defender's office. It didn't get much use.
5. I restocked the IPs in the Boulder County Jail lobby. It was nearly empty. Fortunately, H&I goes there often so we'll keep it well stocked.
6. I restocked the IPs at the Crisis Center. Unfortunately, their use has decreased since their move. Grace works there so we'll know when it gets low in inventory.
7. I have restocked the lit rack at the Refuge Café in Broomfield. They took the IPs out of the Lit Rack and put them in individual IP holders. I took the lit rack and am hoping to use it for the Narcan distribution boxes.

Literature Order:

1. \$73.52 for Meeting Lists
2. \$100 for IPs
3. \$0 for flyers

Next Month's To Do List:

1. Check lit racks at recovery café & CU campus
2. Canvass areas with flyers

BOULDER COUNTY NA OUTREACH

Subcommittee Meeting: 2nd Sunday of every month @ 11:00 AM (Zoom)

The January Subcommittee meeting was postponed due to the NA area being on the same day. The next Subcommittee meeting will be on February 8th.

Outreach Report – February 2026

The Outreach Structure

To better serve Boulder County, we are moving forward with two distinct branches of service:

- The Outreach Committee: This is the administrative side that meets to identify struggling meetings, handle communications, and organize area-level support.
- The Outreach Team: This is the action branch. This is a fluid group of members (not necessarily committee members) who simply get together to attend meetings in need of support. It is a low-pressure, organic way to do service.

January Activity Recap

The Outreach Team successfully provided a consistent presence at several meetings this past month, including:

- Progress Not Perfection
- Tuesday Night by Candlelight
- No Matter What

In all instances, the goal was to provide an immediate vibe and atmosphere of recovery, helping to stabilize these meetings and make them more welcoming for newcomers.

Growth & Communication

- WhatsApp Expansion: The Outreach group chat has seen a significant influx of new members. This is our primary tool for coordinating where the Team will head next.
- GSR Call to Action: We ask all GSRs to continue announcing the Outreach WhatsApp group at their home groups.

NEXT AREA MEETING:

UPDATE @ 12pm HYBRID

- The Message: Remind your groups that joining the Outreach Team isn't a committee commitment. It is just a group of addicts getting together to support meetings that need us.

Goals for February

- Keep the Momentum: Continue the weekly Travel Squad rotations.
 - Regional Outreach: Focus on connecting with members in Longmont and Broomfield or Lafayette to ensure the Outreach Team can reach all corners of our Area.
-
