I will present a proposal to the area service committee today, to discuss switching our ring service from GoTo to Twilio. The attached file has the formal proposal doc.

Cheers,

Jason W

V. PUBLIC INFORMATION: Christian F. -Activities:

1. I brought in a list of 24 IPs. Our racks hold 16 or 8. I'd like to get everyone's input on which ones we should carry. I understand that some IPs are placement specific, such as staying clean on the outside being placed at correctional facilities, but for general purpose, I'd like to know what the group consensus says about which pamphlets we're putting out there. Please cross off your bottom 8 and circle your pick for the top 8 and get them back to me after the meeting. Thanks
2. I restocked the Lit rack at the Longmont Community Center.
3. I heard back from the library about their Narcan Distribution box. They declined to host a lit rack.
4. I fixed the New Beginnings Listing to include Friday's new location and sent

it to DJ

5. I heard back from Broomfield. While they don't want to host lit racks at the Narcan Distribution boxes, they reached out to the courts and detention centers and they both wanted lit racks, so I went to both locations and got them there!

6. I had to fill 2 new Lit racks and some empty ones so I need to replenish a depleted stock. I have to order \$140 in IPs instead of the standard \$100 that has been budgeted.

7. I paid the quarterly KGNU bill of \$250 on the BAASC credit card.

8. I printed 250 meeting lists, as well as 100 Literature Order forms. I paid out of my own pocket and will need to be reimbursed. It was \$209.35

9. I have looked into the discrepancy of meeting lists posted on the internet.

a. Narcotics.com was riddled with errors. Meeting list must be more than 7 years old. I reached out to them and haven't heard back.

b. BetterAddictioncare.com – same

c. Drugstrategies.org had listings I've never heard of. Must be more than 10 years old. I reached out after taking 10 minutes to find out how to contact them. Finally found and copied & pasted contact@drugstrategies.com and it still bounced back

d. Rose House, Harmony and Choice House did not host a link to NA meetings

Literature Order:

1. \$ 209.35 for Meeting Lists & Lit order forms
2. \$140 for IPs
3. \$0 for flyers

Next Month's To Do List:

VIII. Outreach Committee: Sammy

We're keeping things super simple on the subcommittee side so we can actually focus on helping the Outreach Team. Just to be clear: the Action Team isn't the subcommittee. It's just a chill group of people who show up to meetings. You just show up when you can.

March Recap & Reality Check

To be honest, March wasn't our best month. Activity definitely slowed down, and I'll take the hit on that. I didn't stay as on top of the coordination as I should have, and we missed the mark on the goals we set last month.

While the WhatsApp group is still there, our actual physical presence at meetings was pretty hit or miss. I'm looking at this as a reset point. We're moving into April with a better plan to make sure we're actually following through and showing up where we're needed.

Coordination & Communication

**NEXT AREA MEETING:
UPDATE @ 12pm HYBRID**

- WhatsApp Status: The group is still our main way to talk, but it got a little quiet in March. I'm going to be more active in there to keep the momentum going.
- GSRs: Please keep announcing the WhatsApp group at your home groups! We want to make sure everyone knows that outreach isn't a huge time commitment; it is just about showing up.
- The Vibe: We want to keep the energy low pressure and organic. Outreach is just about making sure no meeting feels like it is on an island.

Our Goals for April

- Getting Back on Track: We need to get back to a regular schedule. I want us to prioritize hitting meetings in Longmont and Lafayette since we didn't make it out there last month.
- Better Notice: I'm committing to giving everyone at least a 48 hour heads up in the chat before we head to a meeting. This makes it way easier for people to carpool and actually show up in force.
- Boosting the Energy: The goal is still to get at least five experienced members to show up at struggling meetings to help keep the atmosphere of recovery strong.
- Involving New Faces: I'd love to see some people from home groups that haven't joined us yet. Let's make sure the Outreach Team represents the whole area, not just a few specific groups.
