I will present a proposal to the area service committee today, to discuss switching our ring service from GoTo to Twilio. The attached file has the formal proposal doc.

Public Information Subcommittee activities

May 2026

Activities:

1. Sean has volunteered to help with the erroneous website listings. I gave him three sites to work on. He is currently working on it and will keep me posted
2. Jeff and I went to the following locations to restock the literature racks:
 - a. Recovery Café- Rack was in the closet, again. We talked with the manager about having out so clients can see it. They would also like to host an NA meeting.
 - b. Broomfield Municipal Courts- needed new lists, otherwise fine
 - c. Broomfield Detention Center- The rack was gone, but IPs on the wall, changed out the meeting lists. They had a change in staffing and said lots of stuff was gone after the guy lefty.
 - d. The Refuge Café- Having their 20 th anniversary party so nothing was

in the proper place. They said they were running low, so I gave them IPs for when they put them back. They would like to host a meeting.

e. Denver recovery Group Methadone clinic- Changed out old Meeting lists, otherwise well stocked

f. Public Defender's Office- Just changed out the meeting lists, otherwise well stocked

g. Boulder County Jail- almost totally depleted, so went heavy on the restock. Will need to keep a close eye on the inventory

h. Triangle club- was in good shape and I was out of meeting

3. I printed 150 meeting lists, I paid out of my own pocket and will need to be reimbursed. It's a lower amount due to there being leftovers from last month. I will need some for the 13 lit racks. It was \$91.61.

Literature Order:

1. \$91.61 for Meeting Lists.
2. \$100 for IPs
3. \$0 for flyers

Next Month's To Do List:

1. Check lit racks at recovery café & CU campus
2. Canvass areas with flyers

VI. ACTIVITIES: Julie . - Naboulderactivities@gmail.com

Good morning everyone,

The Memorial Day BBQ was a success! We returned \$90.00, and with our 7th tradition collection of \$185.00, Jeff has Venmoed a total of \$275.00 back to the BASC.

We have two back-to-back proposals to share. While it may seem like a lot at once, we currently do not have an event scheduled for August.

NEXT AREA MEETING:
UPDATE @ 12pm HYBRID

1. June 28: Nederland cookout and fellowship (\$300 proposal).
2. July 4: Longmont BBQ and fellowship (\$400 proposal).

I am hoping to book the park for the July 4th event this week, pending funding approval. Since we need the flyer ready by this Sunday, we will list the location as "Longmont" until the booking is finalized.

I will be out of town this weekend, so I plan to bring the written proposals to the meeting this Thursday evening to hand off to Alanna, Nick, or Adam.

Thanks everyone!

Best,

VIII. Outreach Committee: Sammy

Coordination & Communication

- WhatsApp Status: The group remains our main hub for linking up. While it's been a bit quiet, we are looking to pick up the pace and keep everyone hyped.
- GSRs: Please keep shouting out the Outreach Team at your home groups! We want people to know that outreach isn't an intense job. It is literally just about showing up so no meeting feels like it's on an island.
- The Vibe: We are keeping the energy low pressure and organic. It's all about making sure every meeting feels supported.

May Movement & Milestones We saw some great movement this past month and got out to several meetings. We were able to attend Barrel Full of Recovery, Progress Not Perfection, and Sunday Solutions. It was amazing to show up in force, and we want to carry that exact energy into next month.

Our Goals for June

- Keep the Momentum Going: After a great May, the primary goal for June is to keep the ball rolling. We want to take the energy from the meetings we visited and channel it into

**NEXT AREA MEETING:

supporting even more NA meeting groups across the area.

- Better Notice: I am committing to giving everyone at least a 48 hour heads up in the chat before we head to a meeting. This makes it much easier for people to coordinate carpools and show up together.
- Solid Energy: The goal remains to get at least five experienced members to show up at struggling meetings to help keep the atmosphere of recovery strong.
- New Faces: We would love to see some fresh faces from home groups that haven't joined us yet. Let's make sure the Outreach Team represents the whole area, not just the same few groups.
