VIII. Outreach Committee: Sammy

- August 2026 Outreach Report
- Subcommittee Meeting: Did not meet in June
- Outreach Report: July 2026
- June Recap
- Coordination & Communication
 - WhatsApp Status: The group remains our main hub for linking up. We are seeing more messages come through and people attending meetings that need support GSRs: Please keep shouting out the Outreach Team at your home groups! We want people to know that outreach isn't an intense job. It is literally just about showing up so no meeting feels like it's on an island.
 - The Vibe: We are keeping the energy low pressure and organic. It's all about making sure every meeting feels supported.
- June Movement & Milestones We saw some great movement this past month and got out to several meetings. It was amazing to show up in force, and we want to carry that exact energy into next month.
- Our Goals for July
 - Keep the Momentum Going: After a great June, the primary goal for July is to keep the ball rolling. We want to take the energy from the meetings we visited and channel it into supporting even more NA meeting groups across the area.
 - Better Notice: I am committing to giving everyone at least a 48 hour heads up in the chat before we head to a meeting. This makes it much easier for people to coordinate carpools and show up together.
 - Solid Energy: The goal remains to get at least five experienced members to show up at struggling meetings to help keep the atmosphere of recovery strong.

**NEXT AREA MEETING:
Sept 12 2026 @ 12pm HYBRID**

- ● New Faces: We would love to see some fresh faces from home groups that haven't
- joined us yet. Let's make sure the Outreach Team represents the whole area, not just the
- same few groups.
