May Recap

Coordination & Communication

- WhatsApp Status: The group remains our main hub for linking up. While it's been a bit quiet, we are looking to pick up the pace and keep everyone hyped.
- GSRs: Please keep shouting out the Outreach Team at your home groups! We want people to know that outreach isn't an intense job. It is literally just about showing up so no meeting feels like it's on an island.
- The Vibe: We are keeping the energy low pressure and organic. It's all about making sure every meeting feels supported.

**NEXT AREA MEETING:
8/2/26 @ 12pm HYBRID**

May Movement & Milestones We saw some great movement this past month and got out to

several meetings. We were able to attend Barrel Full of Recovery, Progress Not Perfection, and Sunday Solutions. It was amazing to show up in force, and we want to carry that exact energy into next month.

Our Goals for June

- Keep the Momentum Going: After a great May, the primary goal for June is to keep the ball rolling. We want to take the energy from the meetings we visited and channel it into supporting even more NA meeting groups across the area.
- Better Notice: I am committing to giving everyone at least a 48 hour heads up in the chat before we head to a meeting. This makes it much easier for people to coordinate carpools and show up together.
- Solid Energy: The goal remains to get at least five experienced members to show up at struggling meetings to help keep the atmosphere of recovery strong.
- New Faces: We would love to see some fresh faces from home groups that haven't joined us yet. Let's make sure the Outreach Team represents the whole area, not just the same few groups.
