- had subcommittee mtgs this past Tuesday next meeting is November 10th at 6:30
- In October we will ask for yearly donation \$120 for year
- Still need vice chair/secretary
- New Foundry mtg is going well! they are adding key tags so that accounts for a larger monetary order this month

IV. PHONE LINE: Jason W. - naboulderhelpline@gmail.com

G'morning!

Boulder Area had a lively Phoneline for the month of August.

Total Calls: 33

Spam: 17

Connected w/a Volunteer: 10

Did not choose to connect w/a Volunteer: 6

Missed calls: 0

We paid \$35.83 on September 1st.

Twilio has denied my request to run a Boulder Area Phoneline, because our business structure is not straight forward. Twilio expects the owner of the Phoneline to also be associated with CNAC/CRCNA. This is similar to the problems we ran into when trying to apply as a Non-profit. Given these difficulties, I'm going to place the Twilio port on hold for now.

Now, as some of you already know, my family is moving out of the Boulder Area - we will be moving to Aurora next weekend. I've asked Larissa B to take over Boulder Phoneline on an interim

**NEXT AREA MEETING:
Oct 4 @ 12pm HYBRID**

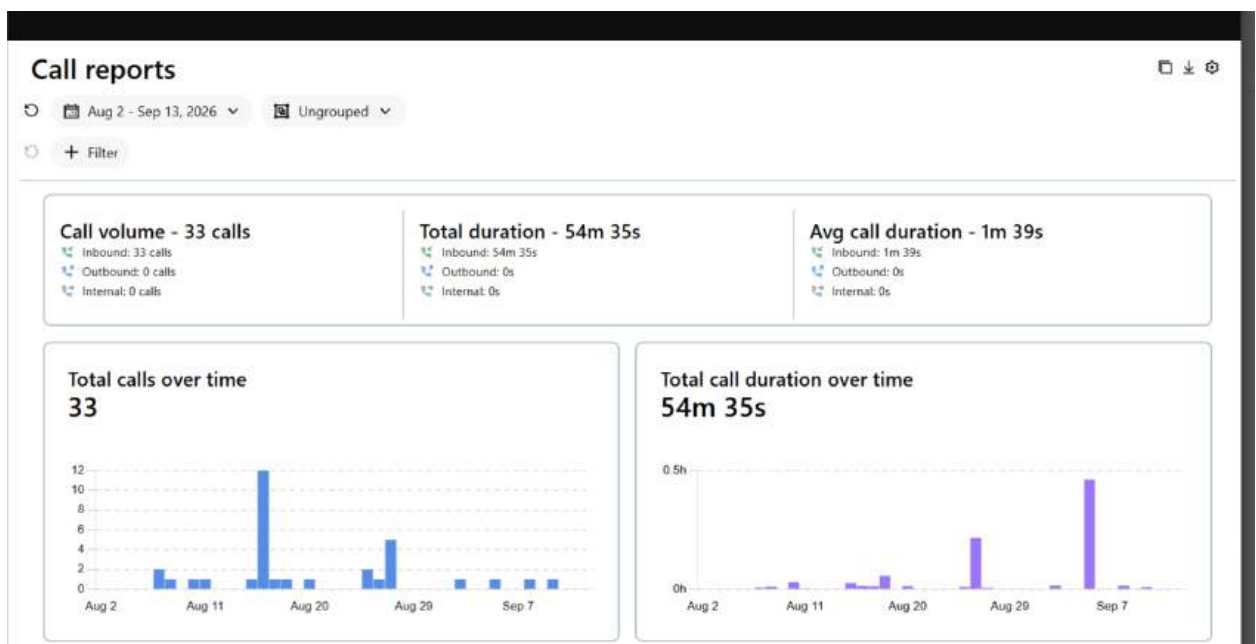

basis. She's agreed to chair Phoneline until formal Area elections in March. Larissa has been a long-time volunteer and was Phoneline chair before handing off to Joel, four years ago. Larissa is not able to be here today, so I ask Area for how you would like to handle this potential nomination: do we, as an Area, accept Larissa as chair without her being here, or would Area like to do a formal hand-off with Larissa present at the October Area meeting? I can be here to make the formal nomination via Zoom if that's what Area decides.

I would personally like to thank the Boulder Area for allowing me to be of service. Chairing Phoneline has been one of the most rewarding experiences I've had in NA. Helping the still suffering addict find hope and a place to begin a new path, as well as witnessing all of the volunteers be willing and able to answer all phonecalls to the phoneline has been amazing (only 1 missed call in 19 months!) - we have a strong and committed fellowship here in Boulder Area.

All the best,

Jason W.

- The group agrees to let the committee run as is until Larissa can join in October to be officially voted in.

V. PUBLIC INFORMATION: Christian F. - Naboulder.pi@gmail.com

Activities:

We have not heard back from the random websites posting 20-year-old information about meeting locations and times. My sponsee volunteered to contact them but he had to move this month and hasn't had the time to further pursue it.

I went to the Recovery Club on the CU campus. Their lit rack had Aug '25 meeting lists, so I replenished them with current ones. The rest of the rack was fully stocked.

Someone at the Recovery club volunteered to replenish the flyers on the bulletin boards on the bottom floor of UMC, which get heavy traffic but expire every 10 days. He later picked up a stack of flyers at the H&I subcommittee meeting.

I printed the GSR reports to and from the groups , as requested, and made 25 copies of each. I think we need to edit them to make them more suitable in the transmission of information for GSRs to announce our business needs to our members. I'd like to propose an Ad Hoc committee to create a more mainstreamed form. I'll leave that up to you guys to do before we need to print more of the forms.

We printed 100 meeting lists. (as well as 25 of the GSR forms) The cost was \$ 100.58. I paid for it and need to be reimbursed.

I have ordered 100 IPs this month.

Literature Order:

\$ 100.58 for Meeting Lists

\$100 for IPs

\$0 for flyers

Next Month's To Do List:

**NEXT AREA MEETING:
Oct 4 @ 12pm HYBRID**

Restock all Lit Racks with new meeting lists

VI. ACTIVITIES: Julie & Dan . - Naboulderactivities@gmail.com

Hi all,

We had a good Labor Day event - we think a conservative estimate was a peak of 70 attendees!

We again had trouble with the BBQ due to a fire ban, so I donated a gas grill to the Activities Committee.

Mike D has all the leftover supplies and the sporting goods that were approved by the area were great. Thank you all for approving those.

Thank you all to those that helped out! We appreciate you.

I'm linking the [Financial Summary](#).

In a nutshell:

- \$400 from Area
- \$397.69 in expenses
- \$2.31 being returned to Area
- \$181 7th tradition separately being sent to Area
- (plus 10\$ given at area- final total \$191)

Nick, please let me know if the linked spreadsheet is enough for your needs. I can supply receipts for everything if you need that.

**NEXT AREA MEETING:
Oct 4 @ 12pm HYBRID**

Thank you,

-- Activities Committee

Rests of events for the year (Thanksgiving & XMAS) are already approved, funds will be dispersed at Nov & Dec area's.

VII. CRCNA LIAISON: Eric
