Next Region November 22nd 10:00-2:30; which is a Sunday, I will try to attend if work permits.

Next Regional Assembly: will be April 2027. We would love to have a good representation of Boulder GSR's! More details to follow on specific date & location.

Here are interesting highlights from last region:

Two new regions were seated: Afghanistan and Region 10 (Brazil).

The World Convention cycle remains every 5 years (next: Ireland, 2028); most amendments proposing a 3- year cycle did not pass.

Worldwide meeting count is approximately 72,000 (down from a pre-COVID estimate of roughly 95,000); U.S. meeting counts have been declining while the number of delegates from outside the U.S. has grown.
